## Silva Double Assembly Guide

- 4** Attach the seating part to the right and left parts by placing it from above. Insert the screws into the bottom section and secure them by gently tightening with an Allen key

! If any issues occur with the screw clips, use the spare clips.

- 5** Attach the back part to the right and left parts. Insert the screws at the rear and secure them by gently tightening with an Allen key

! If any issues occur with the screw clips, use the spare clips.
