☐ Silva Seat

☐ Silva II Seat

c) 1 pc. Right Arm Part 1 pc. Left Arm Part

d) 1 pc. Front Connection Part

e) 1 pc. Rear Connection Part

f) 12 pc. Screw

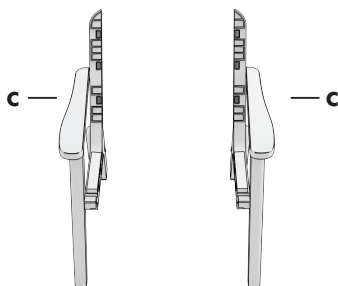

g) 1 pc. Allen

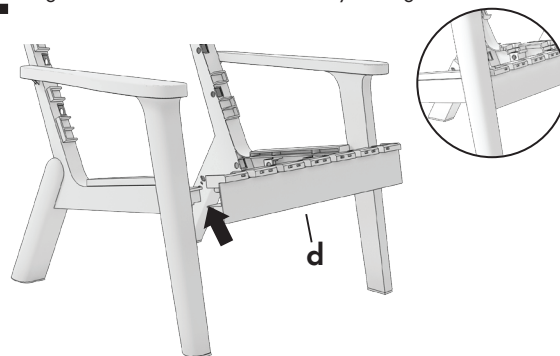

h) Spare Screw Clip

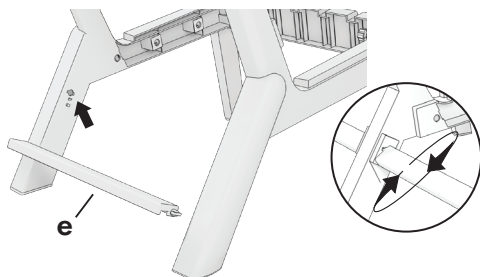

- Position the right arm and left arm so they are perpendicular to the floor and parallel to each other.

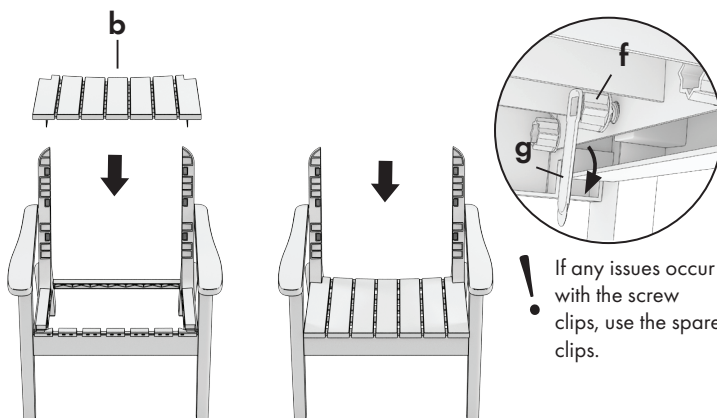

- Insert the front connecting part appropriately into the right and left sections and secure by turning.

- Insert the rear connecting part into the appropriate socket on the right and left parts and secure by turning.

- Attach the seating part to the right and left parts by placing it from above. Insert the screws into the bottom section and secure them by gently tightening with an Allen key
