Content

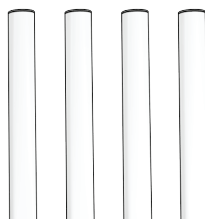

a) 1pc Table Top

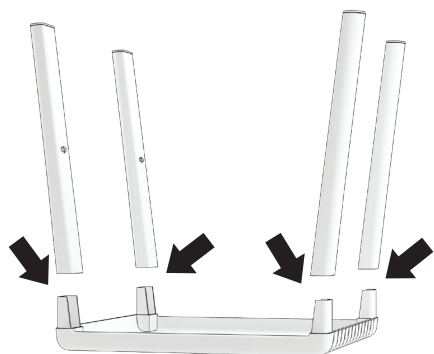

b) 1pc Shelf

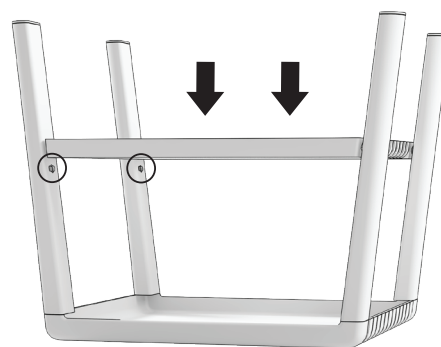

c) 4 pcs Capped Table Legs

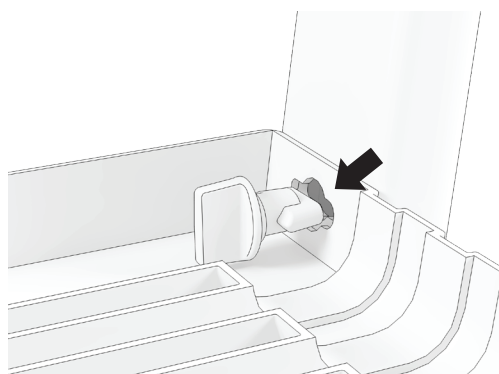

d) 4 pcs Plastic Connector Screws

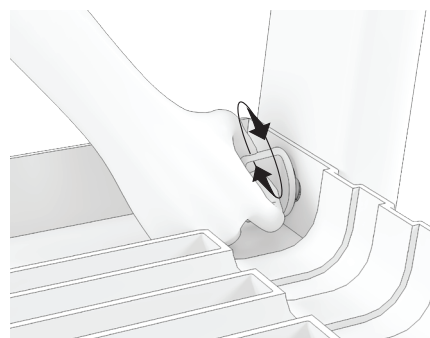

- 1** The tabletop (a) is placed on the surface with the underside facing up. The legs (c) are positioned in the area that fits the tabletop (a).

- 2** The shelf (b) is placed in the appropriate location on the legs, aligning with the screw 2 holes, and secured with screws.

- 3** 4 screws (d) are placed in the areas that correspond to the shelf (b) and legs (c).

- 4** The screws (d) that you have placed can be tightened by hand.
